Sheth C.M. High School & Higher Secondary School

- Science Stream.

MY PROJECTS

smartimgedit.com

Live Link

- **Technologies Used:** Next.js, TailwindCSS, ShadCN, Prisma, and MongoDB, with Razorpay integration for seamless payments. Hosted on AWS for cost-effectiveness, with a robust CI/CD pipeline set up using AWS Amplify.
- **Development Process & Learning:** Built an AI-powered image editing platform with features like background removal and image enhancement. Learned to optimize AI workflows, ensure smooth payment integration, and implement scalable deployment strategies.
- **Client Impact:** Helped the client monetize the platform effectively through Google Ads and subscriptions, generating a steady revenue stream and improving user engagement with advanced AI features.

thinkmoretest.com

Live Link

- **Technologies Used:** Built with Next.js, TailwindCSS, ShadCN, Prisma, and MongoDB, with Razorpay for payments and AuthJS for secure user authentication. Deployed using AWS for scalability and reliability.
- **Development Process & Learning:** Created an intuitive platform offering a variety of mock Indian government exam papers with real-exam-like questions. Gained expertise in authentication workflows, payment system integration, and crafting a user-centric design for improved learning experiences.
- **Client Impact:** Enabled the client to generate revenue by selling mock exams while effectively promoting their YouTube channel and courses, broadening their reach and increasing user engagement on the platform.

assignmentintelligence.com

Live Link

- **Technologies Used:** Designed and developed using HTML, CSS, JavaScript, and PHP, incorporating both dark and light themes for enhanced user experience and accessibility.
- **Development Process & Learning:** Built the platform from scratch, focusing on responsive design, user-friendly interfaces, and theme toggling. Gained deeper expertise in front-end and back-end integration and learned how to optimize performance for better user engagement.
- **Client Impact:** Enabled the client to expand their reach, attracting students from different regions and connecting them with top instructors, significantly increasing their user base and business growth.

ADDITIONAL INFORMATION

- **Languages:** English(Fluent), Hindi(Native), Gujarati(Native).
- **Awards/Activities:** Star Performer(Etech March 2021), Best Runner up (Etech Jan 2022).

DECLARATION

I hereby declare that all the information I have provided in this resume is true. I can show certificates if needed.
